

Supporting the
Parent-Child Relationship
from Birth

The Yolo Baby Program

Helping Yolo County Babies and
their parents connect and thrive

**For all Yolo County Families
with an infant ages birth to 12 months**

Yolo Baby provides you and your baby a FREE 30-60 minute, personalized consultation*, education and follow-up with a certified infant development professional to help you and your baby understand each other's needs.

For more information contact

Children's Therapy Center

530-668-1010

or you can also email us directly at

YoloBaby@CTCHelpsKids.org

You will receive

- a brief written summary of our observations
- tips on how you can encourage your baby to learn and grow
- connections and/or referrals to county activities, resources and/or programs that can support your family's well-being

*in-person or at the clinic with precautions or via telehealth

From their first breath, babies have a unique set of skills to help them adapt to their world. They can tell us what they need to feel content and what makes them comfortable when eating and sleeping. They come ready to learn and communicate and we can help you understand your baby better.
